

From Mayor Marino...

On Monday, May 30th, the Hamburg Fire Department hosted our annual Memorial Day Service. We thank all those who participated in this very important event honoring those who died in service to our country.

Warmer weather is encouraging residents to enjoy the outdoors and with schools closing soon the number of those enjoying outdoor activities increases. Please drive carefully - help keep everyone safe throughout the summer months and all year through.

Public Emergency Notifications

In the event of an emergency situation in the Borough or Sussex County, the OEM will activate the SWIFT911 system and notify our residences and businesses the status of the condition that exists. SWIFT911 is a free phone or text emergency notification system. To sign up for SWIFT911 go to the Web or the play store and download the app free.

Please Visit our Facebook page at Borough of Hamburg Office Of Emergency Management for up to date information from Hamburg OEM.

During the summer months the Road Department will only pick up **grass clippings**. Pickup is on Mondays and Fridays only. Bags must be curbside by 7 A.M. We make one trip through town each day. Bags placed curbside after the truck has passed will remain until the next pickup date. Do not put bags in the gutter or road. Rain can make them break open and clog storm drains and lines. Bags found containing any rocks, dirt, dog waste or household garbage will not be picked up.

We also ask that all homeowners please refrain from blowing cut grass into public streets. It's important to keep the storm drains clear of debris.

As always if a storm comes through and tree limbs come down place curbside and we will pickup. Any problems or questions, please do not hesitate to contact the road department at (973) 827-7702 or DPW@hamburgnj.org.

Wishing you a safe and happy summer.
Michael Schneider
