From Mayor Krasnomowitz...

Hello Hamburg! Welcome to Spring! First I'd like to remind you, that with the weather improving and people taking to outdoor activities, to be mindful when driving. Please obey the speed limit and expect to see walkers, runners & bikes on the streets.

Please review all the activities that the Borough has planned for this year – some will be listed in this newsletter. You can stay up to date by visiting our town website – www.hamburgnj.org.

Now I need to address a serious need for our town – we need Fire Department Members. If anyone is interested in serving our town on the fire department please reach out to anyone in town hall or the fire department. We need members! Without members we have a difficult time covering the needs of our residents and depend on surrounding departments to help out. So if you have some time and are looking to help out please, please, please consider joining the fire department! Check their section of this newsletter for more information.

Wishing you a wonderful spring season.

Sincerely,
Rich Krasnomowitz, Mayor

- Put garbage out the day of collection not the night before.
- Wash garbage containers with disinfectant at least once a week to remove odors.
- Feed outside pets during daylight hours only. Do not leave bowls out.
- Clean outdoor grills after each use.
- Do not place meat or sweet foods in compost pile.
- Only feed birds Dec. 1st thru April 1st when bears are least active.
