Old Business/New Business

Board discusses the major issue of bears removing garbage from residents especially in Holly Drive / Kirkwood and surrounding areas. The problem is that residents are putting their garbage out the night prior to pick up, the bears now this is there are continuously taking the garbage and dumping it. Council liaison Sena advised that much of it is being deposited in the adjacent

property (owned by Crystal Springs, Hardyston) to him. There was a violation sent to the owner, the owners has the entire area cleanup up and within a day the area was once again littered. This problem needs to be resolved. The town will post information about purchasing a bear proof can.

Chairman's Agenda

Council liaison Sena advised that he is involved with re starting the Municipal Drug Alliance program in Hamburg. He has been actively involved with the new director of the program. With the extreme drug problem in all towns and county he cannot express how important this is. The grant amount is \$3549.00 with Hamburg putting in \$800.00; volunteers will be needed. Board member Adams and Alakpa advise they would be interested.

Adjourn

Motion by Adams, second by Marino to adjourn the meeting. Meeting adjourned at 7:50
All members present in favor

Doreen Schott, RMC
